in **linkedin.com/in/atul-verma**

a passionate web developer with expertise in creating dynamic, responsive, and user-friendly websites. I specialize in front-end and back-end development, using technologies like HTML, CSS, JavaScript, PHP, and Bootstrap. With a strong focus on crafting seamless user experiences, I have worked on projects ranging from personal expense trackers. My problem-solving mindset and commitment to delivering high-quality solutions help me bring ideas to life on the web.
